GUS SINIBALDI

Matthews, NC

At the age of 14, I cashed in all my savings to buy my first horse. I rode and showed hunters and jumpers through college before starting my career at a major bank where I just celebrated my 30th Anniversary. It was through my involvement with horses that I learned to appreciate and understand movement, soundness, and conformation.

I bought my first Bulldog in 1997 from Showtime Bulldogs and found my passion again, this time in dogs. At the same time I acquired my first Standard Manchester Terrier. I had a great time with "Tucker" who became a top winning dog honored nationally at the breed, group, and specialty level. In 2010 I went back to Showtime Bulldogs and acquired my first French Bulldog. I have been fortunate to have bred Bulldogs and French Bulldogs recognized with multiple Best in Show, Reserve Best in Show, multiple Group, and multiple Specialty show wins.

I am a French Bulldog Breeder of Merit and never end a day without learning more about my foundation breeds as well as many others as I pursue my passion as an AKC judge. I currently judge the Non Sporting Group, Toy Group, Best in Show and 12 terriers.
